CRAZY LOVERS OF JESUS

OUR NEED TO BE BROUGHT BACK TO CHRIST AS LIFE IN OUR SPIRIT

We have to be clear that even before man became fallen, there was no life in the spirit of man. **When we called on the name of the Lord, He came into our spirit to be our life.** When He came into our spirit, He immediately **became life to our spirit.** In the Bible this is called **regeneration**, which is a new birth. In John 3:6 the Lord said, *"That which is born of the Spirit is spirit."* To be born of the Spirit means to be born of Christ as the life-giving Spirit. When we call upon Him, He comes into us as the life-giving Spirit. Then our spirit is born of Him, so we have a rebirth in our spirit. This rebirth is a new start of our being, **a new start** of our history, a new start in Christ as the life-giving Spirit. This start is something in our spirit.

Today in the Lord's recovery, He has brought us back to the **inward aspect.** The inward aspect is **the life in our spirit.** **We need to forget about outward activities, outward improvement, outward correction, and outward behavior.** We have to turn back all the time to the spirit. The Christian life and the church life are a matter of us being in our spirit. Do not try to do anything outwardly. Instead, always return to your spirit, where the Lord Jesus is.

The start with the Lord Jesus in us is from our spirit as the center. The spirit of man is the very center of our human being. We have our physical body, and within the body is our soul. Our heart is composed of all the parts of our soul (the mind, emotion, and will) plus our conscience. In 1 Peter 3 our human spirit is revealed as the inner man hidden in our heart. This means that our spirit is surrounded by our heart. When the Lord gets into us, He starts His life in the very center of our being, that is, in our spirit... Christ is always seeking and even hunting for opportunities **to spread Himself from our spirit into our mind, emotion, and will, that is, into every part of our inner being.**

OUR NEED TO BE THE CRAZY LOVERS OF JESUS

I want to say again that you need to forget about outward correction, outward improvement, and outward activity. **Always pay your full attention to the inner part of your being where Jesus is.** **Do not try to serve the Lord, work for Him, or do anything for Him.** **You have to look unto Him so that He would show you all His beauty, His sweetness, and His fairness.** This will attract you to love Him. We should say, *"Lord Jesus, to me You are so sweet. To me You are so loving and so lovely. Whenever I call on You, I have a sweet sense deep within my being."* We should have a love toward Jesus that is sweet to our inner sense. We should tell the Lord all the time, "O Lord Jesus, I love You."

Many dear Christians have been distracted by trying to do something for the Lord. This is because **Satan in his subtlety would like to distract us** from the very center of our being. **Do not pay attention to outward activities but always return to the spirit.** From within your spirit you have to tell the Lord a thousand times a day, **"Lord Jesus, I love You."** The name of Jesus is the sweetest name on earth. By telling the Lord that you love Him, you will spontaneously give more space, more room, within you to Jesus.

To say, **"O Lord Jesus, I love You,"** is not just a saying. This is spiritual breathing by **calling** on His name. When you say, **"Lord Jesus, I love You,"** you have a **sweet sense** within you. When you say this, you afford Him more space within your being. He will **spread** Himself in your being and **saturate** your being with all that He is, with all His riches. If you do this day and night, you will be thoroughly saturated with Jesus. This is to have Jesus **revealed** in you, **living** in you, **formed** in you, and making His **home** in your whole being.

(The Living and Practical Way to Enjoy Christ, Chapter 3 Section 1)

Prayer burden

1. Lord, **disciple** us to live the life of a God-man to be today's overcomer for a new revival. We give ourselves to You, **raise us** up by Your grace through the high peak of the divine revelation to live a life according to Your revelation.
2. Lord, cause us to **live a life** of contacting You, living in Your presence without ceasing, and contacting people, ministering God into them to bring them into the jubilee of God's New Testament economy.
3. Lord, make us **faithful** and **prudent**, we would like to **devote** ourselves to **prayer** and the **ministry** of the word, to enjoy You as our spiritual food so that we can **feed others**.
4. Lord, we **take Your yoke** and **learn from You**, for You are meek and lowly in heart so that we find **rest for our souls**. Train us to realize that the **source** of all the blessing we received comes from You and also to **pass on** to others.
5. Lord, teach us also to pray for **executing** Your will according to Your **economy by faith**, being absolutely one with You, without doubt, only believe that we receive what we asked for.
6. Lord we set our entire being on the **mingled spirit**, and we believe **life** and **peace** is ours, and we will walk, have our being and do things continually, not only every day but even every moment, in and according to the mingled spirit.
7. Pray for our **small group / home meetings**. Encourage every saint to use their gift and talent. We are responsible to use our gift for the building up of the Body of Christ.

“To muse on the word of God is to enjoy His word as His breath and thus to be infused with God, to breathe God in, and to receive spiritual nourishment.”

Living the Life of a God-man (I)

Being Discipled to Live the Life of a God-man to Be Today's Overcomers for a New Revival

Scripture Reading: 1 Pet. 2:21; Matt. 14:19, 22-23; 24:45-51; John 10:30; 5:19, 30; 7:18; 14:30b

I. God needs a corporate people to be raised up by His grace through the high peak of the divine revelation to live a life according to this revelation.

A **revival** is the practice, the practicality, of the vision we have seen. If we practice living the life of a God-man, which is the reality of the Body of Christ, spontaneously a corporate model will be built up, a model living in the economy of God; this model will be the greatest revival in the history of the church to bring the Lord back.

II. The disciples of Christ (Matt. 5:1; 28:19) were discipled through Christ's human living on the earth, as the model of a God-man, through His living God by denying Himself in humanity (John 5:19, 30); this revolutionized their concept concerning man (Phil. 3:10; 1:21a):

Our life should be a copy, a reproduction, of the model of the life of Christ, the first God-man. The Spirit of life and reality who was breathed into the disciples would guide them into the reality of what they had observed of the Lord when they were with Him for three and a half years. At the commencement of the first God-man's ministry, He was baptized to fulfill all righteousness, recognizing that according to His flesh, He was good for nothing but death and burial.

He trained His disciples to learn from Him... He taught His disciples to pray to execute God's will for His economy, having faith in God without doubting. He lived a life of contacting God, **living in the presence of God** without ceasing, and of **contacting people**, ministering God into them to bring them into the jubilee of God's New testament economy. He was a man in whom Satan, the ruler of the world, had nothing no ground, no chance, no hope, no possibility in anything. We are also discipled to live a God-man life by observing the intrinsic pattern of Christ's sent ones, His slaves, who are His duplication." **The only way to live the life of a God-man according to the Lord's model is to set our entire being on the mingled spirit, walking, living, and having our being according to the mingled spirit.**

III. Matthew 24:45-51 reveals that to live the life of a God-man we must be faithful to give God as food to the members of His household so that we may win Christ as our reward in the coming kingdom.

God has set faithful and prudent slaves over His household as household administrators, stewards, channels of supply, to give His people food at the proper time. To give them food refers to ministering the word of God and Christ as the life supply to the believers in the church; Christ as the life-giving Spirit is our food, embodied and realized in the word of life.

In order to enjoy the Lord as our spiritual food so that we can feed others, **we must pray over and muse on His word**, tasting and enjoying it through careful considering. We must devote ourselves to prayer and the ministry of the word.

To say in our heart that our Master delays is to love the present evil age and not to love the Lord's appearing. We must beware of covetousness, not storing up treasure for ourselves but being rich toward God. Remember Lot's wife is a solemn warning to the world-loving believers. We must be watchful and beseeching so that the day of the Lord's coming would not come upon us suddenly as a snare.

To **beat our fellow slaves** is to mistreat fellow believers. We must **not judge** and condemn our fellow believers but be kind to them, tenderhearted, forgiving them, even as God in Christ forgave us. We must **not revile or criticize** our brothers but consider them more excellent than ourselves. We must **not lord it over** our fellow believers but serve them as slaves to feed them with the resurrected Christ as the life-giving Spirit. **To eat and drink with the drunken** is to keep company with worldly people, who are drunk with worldly things. Because of their divine nature and holy standing, the believers should **not be yoked together with the unbelievers**; this should be applied to all intimate relationships between believers and unbelievers, not only to marriage and business. In order to live the life of a God-man, we must **flee youthful lusts and pursue the all-inclusive Christ with those who call on the Lord out of a pure heart.**

IV. "We should all declare that we want to live the life of a God-man. Eventually, the God-men will be the victors, the overcomers, the Zion within Jerusalem. This will bring in a new revival which has never been seen in history, and this will end this age".
