

CHURCH IN REGINA

ISSUE # 8 | FEBRUARY 22, 2026 | VOLUME XIV

*Go therefore and disciple
all the nations, baptizing them
into the name of the Father and
of the Son and of the Holy Spirit.
~ Matt.28:19*

There is no need for anyone to be taught religion; we all were born religious. This is the reason that whenever we preach in a religious way we are welcomed. But if we preach the gospel in the way of the Holy of Holies, the people will shout, "Crucify him!" as they did to the Lord Jesus. Because we were born and raised in religion, **religion is not only in our concept, but also in our being, in our blood.** Day after day we must go outside religion, outside the camp.

In a sense, religion closely resembles God's economy. In both the Old Testament and the New Testament we can find verses which seem to be for religion. But we must understand those verses in the light of the basic revelation of the Bible, which is the economy of God, the dispensing of God into man for His expression. **God does not care for religion; He cares for His economy. He is for the dispensing of Himself into man. While God's intention is to work Himself into man, so many Christians only know their religion.** They know nothing of God's economy, nor what it means to say that the Triune God is dispensed into our being. Having become a religion, Christianity is far off from God's economy. But we in the Lord's recovery do not care for anything religious. **We just care for the dispensing of the Triune God into us.**

Going Forth unto Jesus outside Religion, Bearing His Reproach

To be **within the veil** is to enter into the Holy of Holies where the Lord is enthroned in glory, and to go **outside the camp** is to come out of religion, whence the Lord was cast out in rejection. This signifies that we must **be in our spirit**, where, experientially speaking, the practical Holy of Holies is today, and **outside religion, where the practical camp is today.** The more we are in our spirit enjoying the heavenly Christ, the more we shall be outside religion following the suffering Jesus. To be in our spirit to enjoy the glorified Christ enables us to come outside religion to follow the rejected Jesus. **The more we contact the heavenly Christ in His glory in our spirit, the more we shall go to the lowly Jesus in His suffering outside religion.** To contact Christ in the heavens, enjoying His glorification, energizes us to take the narrow pathway of the cross on the earth and to bear His reproach...

To Enter within the Veil is to Get Into Our Spirit

God's economy is the dispensation of the Triune God into our being. This builds up the Body of Christ, producing material for the building up of the church. **This transpires in the Holy of Holies within the veil, which is joined to our spirit.** What a difference between this and religion! If we experience Christ in such an inner way, we shall see how much of the religious camping element is still in our blood. Spontaneously, we shall begin to hate this religious element and loathe our camping self. We all need to enter within the veil that the Lord may bring us into such a realization...

When we enter within the veil by getting into our spirit, we **taste the sweetness** of the heavenly Christ that we may be enabled to go outside the camp, forsaking the earth and its love. As we stay within the veil, we also **have our spirit filled** with the glory of the heavenly Christ that our heart may be freed from the possession of the earth's enjoyment outside the camp. Furthermore, within the veil we **behold the glorified Christ** that we may be attracted to follow the suffering Jesus outside the camp. Beholding His countenance in heaven enables us to trace His footsteps on earth. As we enter within the veil, we are **infused with resurrection power** (Phil. 3:10) that we may be empowered to walk the pathway of the cross outside the camp. We also **participate in the ministry of the heavenly Christ** that we may be equipped to minister Him to the thirsty spirits outside the camp. Here we enjoy the Lord's best that we may be enriched to meet the needs of people outside the camp (Excerpts from the Life-Study of Hebrews Msg. 57).

PRAYER BURDENS:

1. Lord, You are the Author, the Captain of our salvation. Continue to lead us into glory for You are qualified, perfected through sufferings, crossed the river of death and entered into glory to be a man who is God's glory.
2. You are our hope of glory – the One within the veil and within us – dwelling and ministering to us as our Captain and High Priest. May our momentary lightness of affliction work out for us an eternal weight of glory.
3. Save us organically by the sanctifying Spirit. Keep us in the “holding line” of God's economy to make us holy. Sanctify and redeem us from every negative thing that we may be Your expression in full and in glory.
4. Lord, cause us to enter within the veil and go outside the camp. We exercise our spirit to have a direct contact with You, beholding You to be transfused and infused with You. Bring us out of our “camping soul” and into our spirit.
5. Lord, be merciful to us that our worship be pure and without mixture. You are our only object of worship. Save us from every self-beautification and idol worship. Strengthen us that we would guard ourselves from idols.
6. Lord, make us Your companion – one who knows Your heart, is according to Your heart, and could touch Your heart. Speak to us face to face and bless us with Your presence. Use us to carry out Your enterprise on earth.

North America/Europe/Other Burdens

1. Pray for the raising up of a lampstand in Gdansk, Poland. Gdansk is a city in the north of Poland at the Baltic sea, about four hours by car from Warsaw. Recently, a couple in Poland moved to Gdansk to labor at a main university there. Several students and a teacher of Chinese language have been contacted and are very open. A gospel team from the FTTA is presently visiting Gdansk. Please pray:
 - That the Lord will reach more seeking ones in Gdansk through the gospel trip and that two more families will move to Gdansk and live near the university.
 - That the Lord will raise up a lampstand in Gdansk to spread His testimony in Poland.

Local Burdens:

1. Pray for the purchase of the meeting hall.
2. Pray for the baptism of the new students joining our Bible studies. May the seed sown in them grow and may they see the church and the purpose of God in this age.
3. Pray for positive and immediate approval of the permanent resident immigration papers of Alforte and Gonzales families.
