CHURCH IN REGINA

ISSUE # 45 | NOV 8, 2026 | VOLUME XIV

Go therefore and disciple all the nations, baptizing them into the name of the Father and of the Son and of the Holy Spirit. ~ Matt.28:19

Today the earth is filled with chaos...However, we should not be discouraged. In addition to the **satanic chaos**, there is **the divine economy**. Whereas the satanic chaos will come to an end, the divine economy will reach a consummation. The end of the satanic chaos will be the lake of fire, and the consummation of the divine economy will be the New Jerusalem.

To Live and Magnify Christ

The first item in the church life in God's economy is that **we need to be those who live and magnify Christ** (Phil. 1:20-21a). If we do not live Christ and magnify Christ in our daily life, we are not practical members of a practical church. We need to live Christ **day by day from morning to evening**. If people can see only what we are in our natural being, we are not living and magnifying Christ. We must live a life to show people Christ. Christ should be magnified in us by our living Him. Merely to claim that we are the church is not adequate. We must show even the angels, the demons, and the evil spirits that we are a people who live Christ to magnify Him.

To Love and Treasure Christ

To be those who live and magnify Christ **we have to love and treasure Christ** (Rev. 2:4). After His resurrection, the Lord came back to Peter in a particular way. Not long before this, Peter had denied the Lord to His face three times (John 18:17 , 25 , 27). I believe that Peter was very ashamed. No doubt, he still remembered his failure. Now the Lord Jesus asked him also three times, "Do you love Me?" Peter said, "Lord, You know that I love You." Then the Lord charged Peter to feed His lambs, to shepherd His sheep, and to feed His sheep (John 21:15-17). The Lord loves His lambs and His sheep, and He is very concerned for them. If we love Him, we should love them.

To Pursue and Gain Christ

In order to live and magnify Christ for the church life in God's economy, **we also need to pursue and gain Christ** (Phil. 3:12). To pursue in Greek means "to persecute." To pursue Christ is to persecute Christ in a positive sense. Before Paul was saved, he persecuted Christ. After he was saved, he pursued Christ to such an extent that he persecuted Christ—but in a positive way. We need to be those who **desire to gain Christ** to such an extent that we would lay hold of Him, not letting Him get away from us.

To Enjoy and Partake of Christ

We also need to be those who enjoy and partake of Christ. God has called us into the fellowship of His Son that we may enjoy Christ as our God-given portion (1 Cor. 1:9). Christ as the allotted portion of the saints is our divine inheritance for our enjoyment (Col. 1:12).

To Exalt and Minister Christ

Finally, **we need to exalt and minister Christ** (v. 18b ; 1 Tim. 4:6). In our meeting life we have to exhibit Christ. But if we do not live Him and magnify Him by loving and treasuring Him, pursuing and gaining Him, enjoying and partaking of Him, and exalting and ministering Him, we cannot exhibit Him in the meetings. To exhibit Him requires a life of living Him that He might be magnified. Living and magnifying Christ are the first condition, first term, first requirement, for us to live the church life in God's economy...

To Meet as a Proper Local Church

To meet as a proper local church, **we need to have the adequate and proper leadership for the keeping of a good order (v. 40) with the all-inclusive Christ as the center and the processed Triune God as the manifestation** (Col. 3:10-11 ; 1 Tim. 3:15-16). In every church we should have the proper leadership, and this leadership is the deputy authority, the authority representing God in His administration.

According to the principles ordained in God's government, deputy authority is everywhere on earth. In a family there are the parents, in a school there are the teachers and the principal, and in a city there are the mayor and the police with the law courts. Without the proper government and the police, a city would not be in the proper order. It would become riotous without any deputy authority.

In the church life we need to **keep a good order by taking, receiving, and accepting the proper leadership**. Among the saints there are always some who can take the leadership according to the apostles' teaching. Actually, the proper leadership is the apostles' teaching (Acts 2:42), the teaching of the New Testament. **The apostles' teaching is our leadership** (Excerpts from The Satanic Chaos in the Old Creation and the Divine Economy for the New Creation, CWWL 1991-1992, vol.3).

PRAYER BURDENS:

1. **Lord, have mercy on us that we would not boast beyond our measure which You have apportioned to us. May we all stay within the limits of Your ruling and serve You according to Your measure.**
2. **Lord, stir us up but also restrict us in our labour and service. Cause us to realize that You are in control and that Your way is to keep us within our measure. May we be open to Your restriction and not be discouraged.**
3. **Teach us to move and act according to what You have measured to us – to know our limitation, our jurisdiction, and not go beyond our measure. Encourage us to conduct ourselves in such a way for the church service.**
4. **Make us people who can engage in spiritual warfare, not by our own, but by receiving salvation, being raised from death, and sitting with You in the heavens. We declare Your victory and align our will with Your will.**
5. **Strengthen us and enable us to stand for and live out the divine economy. Cause us to conquer all the destructive chaos and triumph in the unique constructive economy to be Your overcomers.**
6. **Lord, we love You with our first love and we enjoy You as the tree of life in the church today. Use the church, the pillar and base of the truth, to teach the truth, swallow up death, and enlighten the darkened and distracted people.**
